

FSASC is Florida's statewide professional association exclusively representing the interests of freestanding ambulatory surgery centers.

We are seeking Business Partners to join with our 150-plus member centers to promote the success of our industry through the open exchange of information about products and services.

In an effort to accomplish these goals, FSASC has established the Business Partner Sponsorship. This program will provide you with the tools you need to better communicate with Florida's ASCs.

Business Partner Benefits

Your Marketing Partner

To succeed in today's market, busy sales staff need to maximize time and minimize expenses. FSASC has put together this unique sponsorship program in order to provide maximum contact with Florida's ASC community at minimal cost.

Your company will benefit from an accurate list of ASCs - with complete contact information. This list, which is updated twice each year, will include a list of ASC's under construction.

For additional exposure, your company may wish to advertise in our quarterly newsletter, SurgiWatch. With each ad you place you will receive a 25% discount off the rate card.

Better still, the FSASC Annual Conference and Tradeshow is a prime opportunity to network with centers. More than 150 physicians, administrators and nursing directors typically attend. Under the Business Partner Program, you will receive a 25% discount on an exhibitor registration including two full conference meeting registrations, an 8'x10' booth space, identification signs and recognition in the meeting program!

As a final touch, FSASC will increase your company's name recognition through listings in our quarterly newsletter and on our website in the Business Partners section.

The Business Partner Sponsorship Program is designed to help you better communicate with the ASCs in Florida. We invite you to become a Business Partner today!
